THE BOXER LEGEND

ARCHETYPE

They say even tank born boxers can take too many hits to the head. At some point, not even a pristine rejuvenation tank can restore what has been lost. Maybe that is what happened to you, because you can only remember fragments of what happened more than a few decades ago: A face, a fight, a place. They appear like solaroids without attachments in your mind. Did you have an affair with that old blood? Were those names on the memorial plaque once your comrades in arms? The only parts of you that remember everything are your muscles and reflexes. Sometimes, in the midst of a fight, you find yourself surprised at the moves you make and the punches you throw. At other times, you can predict with perfect certainty what your opponents are going to do. It doesn't matter that they are younger, quicker or stronger. You just grin as the crowd roars and you taste your own blood, because you *know*.

Special: You are very big, with many scars and a broken nose.

ARCHETYPE BOON

Your extensive boxing experience lets you use the Prime "spaced opponent" ability once per boxing match for free, regardless of what you have spaced. You also start with Reputation 5, with an additional +10 for any boxing aficionado.
